

MIRACLES OR MAGIC?

By Rory Roybal

“The author...has done a tremendous service in bringing out the Truth of God’s Word on this extremely sensitive and controversial subject”

– *Noah W. Hutchings*

President, Southwest Radio Church Ministries

Is it Magic, or is it a Miracle?

You hear about miracles all the time these days, but how do you know if they’re genuine? Inspirational and influential religious leaders abound with fantastic claims, and millions follow without understanding the dangers.

This captivating and insightful book reveals how to discern genuine works of God and provides an essential guide to avoid being ensnared in spiritual traps. It is urgently needed in a world where fewer invest precious time and energy in examining information from the pulpit or media.

As this age draws to a close, counterfeit spirituality must dramatically rise. Much more discernment is needed to see God clearly and to recognize increasingly clever deceptions that masquerade in His name. **Miracles or Magic?** encourages many to keep their spiritual journey on track and inspire loving but revolutionary changes to the world around them.
